

2023 WORK-A-THON

Dear Friend,

Grand View Christian School's annual Work-A-Thon is coming soon! This is a chance for me, along with other students and teachers, to **serve our community by working hard for those in need**. We help the elderly and those with disabilities by doing yard work, outdoor projects and winterizing their homes.

Last year, we were **blessed to serve people in 104 different homes, 2 nonprofits, 1 sister school and 1 church** in the Des Moines area. Work-A-Thon is a great opportunity to put into practice what we are learning about **how to love and serve others like Jesus, and it makes a difference in so many lives!**

I am writing to ask if you would consider **giving financially to help** me reach my Work-A-Thon fundraising goal. Together, we can **encourage people in the community** as well as many families within Grand View Christian School. As a bonus, I have the chance to **win cool prizes** for meeting my pledge goal!

Your donation will support tuition assistance for students who might otherwise be unable to attend my awesome school. In addition, a portion of the funds raised will go towards a school project. This year's project will be a new playground for the elementary students. If you would like to help me make a difference through the GVCS Work-A-Thon, please fill out the enclosed pledge form and return it in the envelope provided. To donate online, simply scan the QR code below or visit www.grandviewchristianschool.org/give/wat.cfm

Every donation matters! Thank you SO much for helping make a difference!
